

BREEDING CERTIFICATE

Welsh Pony & Cob Society of America, Inc.
720 Green St., Stephens City, VA 22655

Date _____

This is to certify that the Stallion _____
was bred to the mare _____
owned by _____
on the following dates _____ during the calendar year of 20 _____

Signed: Stallion Owner or Authorized Agent _____

1. The stallion owner is to furnish a Breeding Certificate with each bred mare sold by him and with each visiting purebred mare brought to his stallion for service. Owners of mares other than registered Welsh are to be furnished a Breeding Certificate providing they desire to register the foal as Half-Welsh.
2. The mare owner should keep the Breeding Certificate to attach to the application for registration of the resulting foal and contact the society headquarters to see his mare is listed on the Stallion Service Report.
3. Owners of mares other than registered Welsh are required to attach the Breeding Certificate to the application for registration of the resulting foal.
4. A Breeding Certificate is not used for mares belonging to the stallion owner.

NOTE: This form is to be given to mare owner only after stud fee has been paid.
