2010 AROUND THE PASTURES

Around The Pastures – 2010 is essentially a statistical study of entries in Volume 58 of the Welsh Pony and Cob Society of America Stud Book. Written as a series and published annually in the WPCSA Journal (formerly called the Yearbook), the purpose is to give accurate information about the “state of the breed” regarding the breeders and animals most active in managing this aspect of Welsh ponies and cobs in the U.S.

When analyzing most trends (without using the term “total”) all U.S. bred animals will be the data used with those born in other countries not represented. When “total registrations” are the basis all animals registered in the given year will be included without regard to their country of origin.

Emphasis is definitely on the animals bred recently in the U.S., the stallions and mares involved and the breeders making the decisions. The total animals registered for Vol. 58 was 508 (594), including 177 that were born in the USA during 2010, 308 U.S. bred from previous years, 11 (15) from Canada, two from Germany and 10 (11) from the U.K. Figures shown in parentheses refer to 2009 (Vol. 57) and are used for comparison.

BREEDERS:

Two hundred fifty-four breeders produced 485 (594) U.S. bred foals registered in Volume 58. Eleven (20) breeders, each registering six or more animals, bred 106 (197) ponies/cobs with 243 (238) other breeders accounting for the remaining 379 (397) entries.

Prefixes registering six or more foals in 2010 regardless of year foaled were: (*denotes less than six in 2009)

The Promise, TX 22(25) A
 Posh Ponies, OR 13(*) B
 Windsongs, OR 10(*) A/B/C
 Dandardel, KS 9(9) A/B/C
 Patchwork, KS 9(*) B
 Action’s, MO 8(*) A

Clear Meadows, WI 8(9) A/B
 Crilban, IL 8(12) A
 Heavenly, OK 7(9) A
 Dragon’s Lair, FL 6(*) B/D
 Siberian, ME 6(*) C/D

Late registrations are still popular among breeders. Fifty-four of the animals accounted for in the above list were late registrations and only 45 were actually foaled in 2010. Perhaps the amnesty on registration of older eligible ponies/cobs influenced the preponderance of late registrations. Four of the herds mentioned above had NO 2010 registrations and only Action's prefix registered foals of 2010 exclusively.

TOTAL 2010 REGISTRATIONS:

The 2010 Stud Book will contain 508 (621) entries:

Sec.	Colts	Fillies	Total
A	75	92	167 (200)
B	126	130	256 (337)
C	9	19	28 (40)
D	32	25	57 (44)
	242	266	508 (621)

The Sec. B total is higher than a total of the A, C & D Sections combined. The Sec. B total has exceeded all other Sections for eleven out of the last twelve volumes.

Nine (16) stallions produced 6 or more U.S. foals for Vol. 58. Only two of those stallions were on the previous list: *Telynu Royal Charter and *Wedderlie Mardi Gras.

A Clarwoods Ladys Man	7	B *Hilin Peredur	6
B Farnley Triton	7	A *Scrafton Night Shift	6
B Gayfields The Sleuth	7	B *Telynu Royal Charter	6
A Asgard Solar Flare	6	B *Wedderlie Mardi Gras	6
B GlanNant Captain	6		

A total of 276 (295) stallions produced foals for the 2010 Stud Book.

A geographic analysis of 485 (594) U.S. foals in this volume shows the following breakdown by show zone:

ZONE	PONIES	BREEDERS
NW	89 (94)	43 (43)
SW	49 (64)	33 (32)
NC	60 (82)	34 (31)
SC	128 (159)	55 (55)
NE	79 (82)	41 (37)
SE	79 (112)	47 (55)
HAWAII	1 (1)	1 (1)

Foals from 44 states were registered. No foals were reported from Alabama, Alaska, Nevada, New Hampshire, Rhode Island or South Dakota. The Central area again registered the most foals and this year also had the largest number of breeders, besting the East by only one breeder. The Western Region lags behind in both number of foals and number of breeders.

There are three producing mares twenty-five or older in this volume. The oldest mares at time of foaling were Crilban Shalimar's Lady (aged 26 when she produced a foal in 2007) and Helikon Tiddlywinks who was also 26 when producing a 2009 foal. These two mares were also listed in this category in the 2009 Around The Pastures article. Windcrest Tiara, foaled in 1983, was 25 when she produced a 2008 foal.

SECTION A: THE WELSH MOUNTAIN PONY

There will be 167 (200) Sec. A foals in the 2010 Stud Book including 2 (0) U.K. imports, 5 (2) Canadians, 92 (74) U.S. foals from previous years and 68 (124) 2010 U.S. foals. In accord with WPCSA registration rules, all of these foals are AxA.

The use of imported stallions to produce foals in the U.S. continues. In Vol. 58 twenty-eight (18) stallions produced 36 (48) foals. The imported stallions used were: *Scrafton Night Shift (6 foals), *Pentyrch Vodka (4 foals), *Pendock Larkspur (3 foals) and *Ceulan Cadog, *Menai Anzac, *Menai Silver Buck, *Menai Sole Mio and *Wharley Magic Flute produced 2 foals each. 2011 AMERICAN NATIONAL SHOW

June 18th & 19th, 2011 were beautiful days for the Penn-Marydel Welsh Pony & Cob Society Show. There was no torrential rain for the entire weekend and no 100 degree days with 100% humidity. Penn Marydel has seen that and more over the years. This year we celebrated our 25th anniversary by hosting the Welsh Pony & Cob Society's 2011 National Show.

The original club was formed in 1986 at the home of Sally Harvey in Colora, MD. The club was created to promote Welsh ponies in the Pennsylvania, Maryland and Delaware area. The club disbanded a few years ago but the remaining interested members still organize the show, along with our secretary Bonnie Six.

The show is held at the Heavenly Waters Equestrian Center, a nice show grounds outside of Bel Air, MD. We have had our show there every year except for 1988, when it was in Quentin, PA. We were worried that the economy would impact the show, so we were thrilled when over 140 ponies turned up to compete at the National.

There were a large variety of classes scheduled over the weekend. Saturday morning started off with Junior Handler 12 and under and ended up having the largest number of entries for the entire show. Erika Schwab of Northeast, MD placed first out of the 16 competitors.

We were also very happy to see 8 small competitors in the Walk Trot and Child's first pony classes. It's always encouraging to see the next generation coming to the show and competing. Following these classes for the younger children, the breed classes were started.

*Supreme Champion *Nebo Knight Ryder*

Mr. Michael Elmore of New Mexico was the judge for the National Show and Ms. Helen Williams of the UK was the second breed judge. Supreme Champion under Mr. Elmore was the lovely Section B Senior stallion, Farnley Triton owned by Mrs. C. C. Abeles of Farnley Farm, White Post, VA. Reserve Supreme was the handsome Section C Cob Stallion, Gallod Replica, owned and shown by Mark and Mary Ellen Bosworth. Ms. Williams picked *Nebo Knight Ryder, a beautiful Section D Stallion owned by Amy Riley of Plymouth, MA. Ms. Williams Reserve Supreme went again to Gallod Replica.

The Supreme Champion Gelding under Mr. Elmore was Sally Steinmetz's handsome Section B gelding, Rosehaven Snapdragon. Reserve under Mr. Elmore was Balsuma Llewelyn, a beautiful black Section C gelding owned by Alan and Suzanne Schockett of Dighton, MA. Under Ms. Williams, the Supreme was Castleberry's Comrade owned by Margaret Pence and Reserve was Wynnbrook Arctic Fox owned by Kris Morris.

Half Welsh Grand Champion under Mr. Elmore was the lovely filly Milan owned by Leslie Malone of Colorado and reserve was Falling Moon Casanova owned by Ethan Maye. Mrs. Williams Grand Champion was another lovely filly, Wishlea Star Dasher, owned by Bridgid McMurtrie of Maryland and Reserve was Milan.

Competitors came from many areas from Maryland to Mississippi and from North Carolina to Maine. The show committee went all out to show their appreciation to their loyal competitors. There were goody bags with samples and tee shirts given out to all competitors. There were also drawings for door prizes, from a bottle of wine to a saddle pad to a small TV, throughout the weekend. Many competitors got to bring home something a little extra from the weekend besides all of the wonderful ribbons and prizes awarded. A superb dinner for the competitors, sponsored by Thea and Rob Hall of Irish Tulip Equestrian Center in Earleville, MD, was the high point of the social events on Saturday evening. All in all, it was a very successful WPCSA American National show.

The Ron Schwartz Memorial Sportsmanship Award is given to the Junior who in the opinion of the Board of NEWPA does the most to carry on the tradition of sportsmanship that Ron represented. As always we have an Exhibitor's Party on Saturday evening with lots of food and good cheer and this year it was made livelier with Irish Folk music sung and accompanied by our Judge Mike Maxwell and our Farrier/ Ringmaster Joe Chicone. The younger generation joined in the fun taking a break from their games to request such favorites as "Daddy Buy Me a Pony" and "Heads Up On The Outside Line". The games resumed outside and in the pavilion as the adults continued to enjoy the music and camaraderie that are so much a part of Welsh shows.

2011 WESTERN REGIONAL SHOW

The 2011 Western Regional, held in Elk Grove, CA at the beautiful Brookside Equestrian Park, was a great success. Show management tried several new ideas in a continuing effort to make this show "fun" as well as offer some new opportunities for the exhibitors. This show is combined with the "Brookside Welsh Show", a two-day show held just prior to the three-day Pacific Coast Classic/Western National. We had a total of 89 ponies for the Brookside Show, and 102 ponies for the Western National.

Some of the "perks" that were offered: folks who brought 5 or more ponies were given a free stall; those who submitted their entries by the "early entry date" qualified for a free stall drawing; Bonus cash prizes were awarded for each Performance Division with three or more entries as well as the Breeding Division at the Western National; there was a free exhibitor's dinner for all who entered by the final pre-entry deadline; we had a "Fun With Fido" event one evening, where all the exhibitors who brought their dogs gathered for doggie games. The facility has a swimming pool that our exhibitors love. The facility manager provides "extras" during the show, such as "Fiesta night", snacks, and an ice cream social – all in an effort to make the show more fun for the exhibitors.

*Supreme Champion *Verdrefawr Marina*

While the days were warm (hot in some cases), there was the pool available, and the evenings always cooled off so that we had a good fresh start with cool mornings the following day. Mrs. Williams treated the juniors to an impromptu clinic on showing in junior handler classes, something that was well appreciated, as she was quite successful in the equivalent classes showing as a junior in the UK.

Classes were well filled with quality animals, giving our judges something to look at. Each year our judges make a point of telling us what a great job our exhibitors do at turning out their animals, and complimenting them on the job well done. Mrs. Williams judged the Western National in-hand classes and selected the lovely Section A Mare *Verdrefawr Marina as her Supreme Champion, with the Section B stallion Farmore Royal Tywyn as Reserve Supreme. The Pacific Coast Classic in-hand division was judged by Mrs. Barbara Kirchner-Magrogan who selected the striking Section B Stallion Gayfields the Heir Apparent as Supreme Champion and the Section B colt *Mynach Master Class as Reserve Supreme.
